| <p><b>Hybrid Tea &amp; Grandiflora (2015)</b></p> | <p><b>Anna's Promise™</b> - (Grandiflora) - Inspired by the Emmy™ and Golden Globe™ award winning British television series, Downton Abbey. This is the first in this series of garden roses. This beautiful, large golden tan flower with a copper reverse, is surrounded by deep glossy green foliage. Moderately fruity and slightly spicy fragrance envelope the blooms.</p> | <p><b>Best Kept Secret™</b> - (Hybrid Tea) – Exhibition-type flower on a compact plant. White blossoms with pink edges. Strong citrusy scent. Dark green, and very glossy foliage. Grows to 4 feet tall.</p>   | <p><b>Neil Diamond</b> - (Hybrid Tea) – Named after the internationally acclaimed Hall of Fame singer-songwriter Neil Diamond. Produces numerous flowers and attractive buds on long cutting stems. Pink with white stripes on the large classically formed blossoms of 4-5 inches wide. Intense sweet and classic rose fragrance.</p> |
| <p><b>Floribunda, and Shrubs (2015)</b></p>       | <p><b>Doris Day</b> - (Floribunda) – Tribute rose to America's Sweetheart, Doris Day. Old fashioned, golden yellow blooms produce in rounded clusters on vigorous stems. Strong fruity and sweet spicy fragrance.</p>  | <p><b>Icecap™</b> - (Shrub) – Pure white flowers on a compact, rounded shrub. Excellent repeat blooming and resistant to many common rose diseases. Grows 2.5 feet tall by 3.5 feet wide.</p>  | <p><b>Take it Easy™</b> - (Floribunda) – Red blossoms with lighter reverse underside. Naturally disease resistant foliage create a nice background to showcase the many clustering buds and flowers. Excellent vigor, and naturally self-maintained habit. Slight tea fragrance.</p>   |
| <p><b>Climbers (2015)</b></p>                     | <p><b>Above All™</b> - (Climber) - Salmon orange blend on old-fashioned cup shaped blossoms in large clusters. Moderate fruity fragrance. High level of disease resistance. Continuous blooming from spring to fall.</p>   | <p><b>Pretty in Pink Eden®</b> - (Climber) – Exhibits all the same great qualities as the original Eden rose, but deeper pink in color and has slightly more petal count than Eden. Also, has a moderate, floral vintage rose scent. Vigorous and disease resistant as well.</p> |  |
